

## STRATEGIC SOURCING PROGRAM CHARTER

**ESTABLISHMENT.** Permanent Order Number 133-1, 10 Jun 03 established the Strategic Sourcing Program Office. The Strategic Sourcing Program Management Plan is a “living document” and contains the operating details.

**ORGANIZATION.** The Program Manager will directly report to the Deputy Commanding General.

**OVERSIGHT.** The Deputy Commanding General will chair a Strategic Sourcing Executive Advisory Committee. The purpose of the committee will be to advise the Deputy on corporate issues and decisions involving strategic sourcing strategies, command strategic sourcing policies, and the integration of other sourcing and efficiency initiatives of this command with the strategic sourcing program. The Directors of Civil Works, Military Programs, Resource Management, and Human Resources, the Chief Counsel, Principal Assistant Responsible for Contracting, and two Major Subordinate Command Commanders are members.

**MISSION.** The Strategic Sourcing Program Office is responsible for ensuring U. S. Army Corps of Engineers compliance with Executive Department agendas, policies, and procedures involving the performance and competition of commercial activities.

### FUNCTIONS.

Establish competition goals for USACE  
Provide policy, guidance, and oversight of program execution by MSCs and Centers  
Direct and manage program activities  
Develop and interpret policy and guidance  
Represent the command and negotiate with the Office of Management and Budget, the Army Secretariat, and the Army Staff  
Advise and brief senior management  
Develop Inventory of Commercial and Inherently Governmental Activities policy requirements

**SUNSET.** A review of this charter will occur at the end of the first five-year cycle of studies. A review will occur sooner in the event of a moratorium on competitions.
